# TAKE NOTE

## President's Message

Why participate in the annual Orland Park Chamber Golf Outing?

Here are some reasons why...

- We have added precautions to ensure the safety of players, sponsors and volunteers based on guidelines provided by the CDC and State of Illinois including extra sanitation, social distancing and touchless registration.
- Network with leaders of the local business community
- Drinks and food on the course! In addition to our roving beverage carts, this year's event will feature pre-game drinks on the patio and afterwards, at the 19th hole. Thank you to our drink sponsors, Randy Barcella-Real Estate Revealed, Republic Bank and Mueller and Co LLP.
- Back by popular demand, our delicious steak dinner will be available as a dine-in or to-go option.
- NEW this year, we are holding a 50/50 Golf Ball Drop. Everyone is invited to purchase numbered golf balls, which will be dropped at the beginning of the event. The owner of the ball closest to the pin wins. Thank you to our presenting sponsor, MidAmerica Orthopedics! And to Rental Max and Jondec Painting for sponsorship of the Golf Ball Drop "lift." Purchase your balls online at [www.orlandparkchamber.org](http://www.orlandparkchamber.org) or call the Chamber Office 708-349-2972.
- Support future business leaders! Partial proceeds from the Golf Outing will be earmarked for the 2021 Chamber Scholarship program awarded to local students.
- Take out the worries and stress from the last four months and join us for a great day on the green. You deserve it!
- Let's hear it for our additional Golf Outing Sponsors: Delaney, Delaney & Voorn, First Secure Bank & Trust, O'Neill & Gaspardo, LLC, CIBC Banking Center and our friends at Silver Lake Country Club.

See you on the course,

Ray Klosowski  
Mueller & Co., LLP

# TAKE NOTE

## Mayor's Message

First, I would like to thank the Orland Park businesses for their participation in the Village's recent event, the Taste of Orland Park. Barraco's Pizza, Beggar's Pizza, Mo's Chinese Kitchen, Nothing Bundt Cakes, Papa Joe's Italian Restaurant, Pita Pita Mediterranean Grill, Pueblito, Smallcakes Cupcakery and Creamery, Square Celt Ale House and Grill and Tradycja Polish Fusion Cuisine all joined in to make sure this year's event was a success and I appreciate their dedication to the community. Thank you to presenting sponsor Waste Management and also Palos Health, Christopher Burke Engineering, Mazda of Orland Park, Brannigan Chiropractic, Camp Bow Wow and V3 Companies.

Taste is an Orland Park tradition. It was important that we not only host the event to bring back a sense of normalcy, but that we did it in a safe and responsible way. We were able to accomplish both thanks to the innovation and determination of Village of Orland Park staff, residents, vendors, sponsors and all attendees who managed to stay safe and have a great time at the 2020 Taste of Orland Park. I appreciate and give a sincere thank you to all who contributed to the success of this great event.

The Village's foremost priority continues to be the health and wellbeing of the community. We pay close attention to the numbers and statistics on the CDC website for guidance and direction. Our programs are adjusted as needed to meet the needs of the current climate while still maintaining all services expected of the Village.

The Village of Orland Park is currently in Phase Three of the Village of Orland Park Reopening Plan. Normal operations resumed in Phase Three which occurred 14 days after the implementation of Phase Two. We implemented Phase Three after observing a steady or declining number of COVID hospitalizations, cases, and positive tests, ICU bed and ventilator usage due to COVID-19.

To read the complete Village of Orland Park reopening plan, visit [orlandpark.org/coronavirusinfo](http://orlandpark.org/coronavirusinfo) and click Re-opening/Back to Normal Plan. I provide regular video updates via the Village YouTube channel at [youtube.com/user/VillageofOrlandPark](https://youtube.com/user/VillageofOrlandPark).

As many of you know, we recently bid farewell to Police Chief Tim McCarthy who has faithfully and diligently served the Village as its Chief of Police for 26 years. He has provided steadfast and dependable leadership to the men and women of the Orland Park Police Department throughout this entire period. Chief McCarthy has consistently been a consummate professional. I have appreciated and benefitted from his wise counsel since I've joined the Village as Mayor and remain thankful to have served the community alongside him. I hope you will join me in welcoming Interim Chief Joseph Mitchell as he fills the role of Chief of the Orland Park Police Department.

We have many great events and sponsorship opportunities coming up. Please visit [orlandpark.org](http://orlandpark.org) for the latest updates and news.

I appreciate all that you have done as business owners and community partners to help Orland Park thrive and do so safely. You all play an integral and vital role in the community and I will continue to do my part to support you in any way I can.

Sincerely,  
Keith Pekau  
Village President

# New FORE 2020

A graphic for the '2020 Golf Outing Golf Ball Drop' event. It features a central circular logo with the Orland Park Area Chamber of Commerce logo at the top, followed by '2020 GOLF OUTING' and 'Golf Ball DROP' in large, stylized letters. Below that, it says 'SEPTEMBER 3, 2020' and 'SILVER LAKE COUNTRY CLUB'. The background is a grid pattern with several golf balls floating around. In the bottom left, there's a box with '2 balls / \$25' and '5 balls / \$50'. In the bottom right, a box says 'BALL CLOSEST TO PIN WINS' and '50/50 split the pot'. At the bottom center, it says 'PURCHASE ONLINE' and provides a URL: 'https://business.orlandparkchamber.org/events/details/orland-chamber-golf-outing-2020-1577'. At the very bottom, it states 'A Portion of the Proceeds Benefits the Chamber's Scholarship Program'.

## **Edward Jones Brian Falls | Financial Advisor**

My primary goal is to help individual investors develop an investment strategy geared toward their unique, long-term goals. Whether you need to save for a child's college education, reduce taxes or plan for retirement, I can help.

I used the Edward Jones 5-step Process to build a personalized strategy to help you achieve your goals:

1. Determine your current financial picture and understand your comfort with taking risk.
2. Identify where you would like to be. Are you preparing for retirement, living in retirement, paying for education, preparing for the unexpected, planning your estate or inheritance?
3. Can we get there? Analyze your current situation.
4. How do we get there? Build your portfolio, understand investment performance, understand costs and fees.
5. Stay on track. Regularly review the strategy.

I have been in the financial services industry for 25 years. I earned an MBA from Anderson University and a Bachelor of Science degree from Indiana State University where I triple majored in finance, economics and business administration.

My wife, Sylvia, and I have one daughter and two sons. We live in Frankfort where we attend Hickory Creek Community Church. I am a member of the Frankfort and Orland Park Chambers of Commerce. I also serve of the East Central Regional Community Leadership Council of the American Cancer Society.

## **Lythberg Law LLC**

Originally from Orland Park (and having migrated far away to the distant village of Tinley Park), attorney Cameron T. Lythberg founded Lythberg Law with the express goal of providing quality legal representation to the Chicagoland area, combining cutting edge technology with classical legal training. Originally starting his career as a litigator, Attorney Lythberg has since developed his practice to include residential and commercial real estate, wills, trusts, and other estate planning, in addition to estate and trust administration. Finally, Cameron T. Lythberg also advises and performs legal work for small business with a variety of needs, including formation, financing agreements, acquisitions and sales, and more. With an office conveniently located in downtown Joliet (next to the Will County Courthouse), Attorney Lythberg serves primarily the south suburbs of Chicago. Working with companies and individuals alike to assist them with their transactional and litigation needs. Cameron is an active member of the Illinois State Bar Association where he is on the section committees for real estate, trust and estates, corporate law, and civil litigation, in addition to being part of the Will County Bar Association, where he chairs the county's civil litigation committee. Cameron is also a member of the Illinois Real Estate Lawyers Association and the Joliet Estate Planning Counsel. He routinely gives presentations on hot topics in estate planning and real estate law to realtors, financial planners, accountants, trust officers, title agents, commercial and residential lenders, and a wide variety of other business professionals. Cameron has also presented to fellow lawyers regarding interstate litigation issues, trial techniques, and overall litigation strategy. Always offering a free consultation, Attorney Cameron T. Lythberg can be reached at 815-239-0200 or via email at [cameron@lythberglaw.com](mailto:cameron@lythberglaw.com).

## **MEDI Health & Wellness**

Welcome to MEDI Health & Wellness located in Orland Park, IL. At MEDI Health & Wellness we do our best to provide outstanding patient-centered care! Being siblings, Drs. Georgiou have created a practice for your entire family to thrive in! From the littles to our resilient seniors, MEDI Health & Wellness has you covered!

Drs. Georgiou are Chiropractors that practice Functional Medicine. The clinic was established in Orland Park to give back to a community the doctors are proud to call home! The doctors chose to practice functional medicine to provide integrative care to improve the quality of life of their patients. MEDI Health & Wellness is located in the Orland Grove Complex, 10750 W. 143rd Street, Suite 50, Orland Park.

MEDI Health & Wellness is unique in that we offer a wide variety of services. We provide a modern, evidence-based approach to Chiropractic medicine, comprehensive laboratory analysis, Hyperbaric Oxygen Chamber therapy, ionic detoxification, and much more! We created a sophisticated social wellness environment to ensure the comfort of our patients. Arriving to the clinic does not feel like your average visit to the doctor!

Drs. Georgiou optimize patient health by getting to the root cause of disease. The main focus at MEDI Health & Wellness is to improve quality of life and to guide our patients down the path of wellness. Don't hesitate to contact us at 708-966-2679 to schedule today! You can also request information and learn more about us by visiting our site at [www.medihealthwellness.com](http://www.medihealthwellness.com)!

## **Midwest Orthopaedic Consultants**

Midwest Orthopaedic Consultants represent the new way of delivering affordable, quality, and convenient orthopaedic care. Our mission is to improve patient care, streamline the delivery of care, and maximize the outcomes for our patients. The goal of our facility is to provide a one stop shop for our patients, with a primary focus centered on sustainable recovery. Our experienced physicians and friendly staff provide high quality care and a comprehensive range of diagnostic, surgical, and rehabilitative services to meet every orthopaedic need. Our physicians provide both inpatient and outpatient surgical care, in addition to nonsurgical treatments, such as bracing and injections. Excellent communication amongst our treatment staff facilitates a speedy recovery with minimal cost and downtime.

As part of our commitment to quality, MOC established integrated orthopaedic specialty centers within its practice. Each of these centers provides specialty-trained, board certified physicians, as well as an elite staff who give the focused and individualized expertise that each patient requires. We currently have two locations, the first of which is in Orland Park, and the second of which is located in Oak Lawn. No matter the location, we are here to service you as best as we possibly can. Dedicated Team. Sustainable Results

# Around Town

## TOWNSHIP TIDBITS

Like our fellow chamber members, Orland Township is working to provide services to residents while abiding by the social distancing and capacity guidelines set forth by state officials. August signals the start of the school year and whatever the format may be for students this coming school year, it is best to be ready, and Orland Township is here to help.

The Orland Township Scholarship Foundation recently presented 22 deserving local high school graduates with scholarship awards ranging from \$2,000 to \$500. To ensure social distancing, the awards dinner was held in the Township's covered patio dining area (under a tent in the Township parking lot), at tables of four, with guests wearing face masks when they were away from their tables. We had the students 'taco 'bout their future' plans while enjoying a fiesta from Joey's South of the Border taco truck. While the setting was different from past scholarship dinners, we were proud to recognize these hardworking students and wish them the best as they start their college careers.

The next day, Orland Township held another mass grocery distribution to assist residents experiencing hardship due to the COVID-19 pandemic. The support and generosity of our community continues to amaze, as we distributed food, water, paper products, household items and gift cards to hundreds of families in need. We would not be able to do this without the support and hard work of so many volunteers. Thank you to the Cook County Sheriff's Police, District 135 school board member Mike Maratea, Jerling Jr. High School teachers, students from Andrew, Sandburg and Providence Catholic high schools, Parkview Christian Church, Orland Fire Protection District and the Orland Park Prayer Center. All their hard work made another massive distribution run quickly and efficiently. We will hold another grocery distribution on Friday, Aug. 21. If you or your company is interested in donating and/or volunteering, please contact the Township at (708) 403-4222 for more information.

The Township's Back to School Health Fair is coming up and, like other events, will be done on a smaller scale and a slightly different format. While the Township will still offer immunizations and school physicals, the Back to School Health Fair on Saturday, Aug. 8 (along with the remainder of the health fairs this year) will be by appointment only. For more information, call the Township at (708) 403-4222.

Beginning in September, Orland Township will hold flu shot clinics. Township nurses will be available to administer flu shots two afternoons a week, during early voting, at area churches on select Sundays and during the Township's Drive-Thru Flu Shot Clinic. Details, including specific times and dates, will be available in coming weeks.

Orland Township will soon start planning a Fall Job Fair. If your company will be hiring for the upcoming holiday season, please consider attending our Fall Job Fair. For information and to register for a table, please contact Alexis at [AlexisO@orlandtownship.org](mailto:AlexisO@orlandtownship.org) or by phone at (708) 403-4222.

I wish the best to you and your families and hope you all continue to stay safe and well.

Sincerely,  
Paul O'Grady  
Orland Township Supervisor

# Resource Corner

## Returning To Work Post COVID-19? What You Need To Know Before Heading Back

Submitted by: Ebonie Gist, Arcpoint Labs of Orland Park

Companies and individuals have many important questions before returning to work in a COVID-19 world. The CDC estimates that 40% of COVID-19 transmissions are happening before people feel sick or showing any symptoms, and 35% of those who have the virus never show symptoms at all. That means temperature checks alone may not protect you. The CDC emphasizes the importance of companies implementing comprehensive return-to-work testing strategy.

At the outset of your program, employers may want to test all asymptomatic employees for antibodies to SARS-CoV-2 in addition to an initial virus test. This will give a baseline direction for testing. Depending on the nature of each business, monthly, bi-weekly, or weekly viral testing may be appropriate. Plans should be to your workplace and adhere to important safety measures set forth by federal, state and local government agencies and that aims to reduce the risk of exposure for your employees by establishing and following four simple protocols:

1. Baseline Testing
2. Urgent Testing
3. Post Quarantine Testing
4. Routine Testing

Whether it's on-boarding new employees, determining what to do with contractors, or finding ways to bring previously sick employees back to work, the guidance you need to ensure compliance with government regulations while decreasing your risk is available.

Dr. Ebonie Gist, PhD, is the Owner of ARCpoint Labs, a high complexity laboratory facility servicing South Suburban Illinois. She is passionate about providing affordable access to health care to the underinsured or those with high deductible insurance plans. After raising student athletes of her own, she also has a special interest in help uncover undiagnosed heart conditions using ARCpoint lab's innovative testing solutions. Prior to opening ARCpoint Labs of Orland Park, Ebonie gained 15 years of clinical research and quality assurance experience in the Pharmacovigilance field where she worked tirelessly to ensure drug safety by overseeing projects and studies relating to the monitoring and prevention of adverse effects with pharmaceutical products. She may be reached at (708) 963-1200 to discuss your back to work strategy and to fulfill all of your testing needs.
