Michael W. Frerichs

ILLINOIS STATE TREASURER

The Orland Park Area Chamber of Commerce, spearheaded a Multi-Chamber Virtual Meeting with the Illinois State Treasurer Michael Frerichs on Thursday, April 22. Joining this meeting were members from the Tinley Park Chamber of Commerce, Mokena Chamber of Commerce, Frankfort Chamber of Commerce, Lockport Chamber of Commerce, New Lenox Chamber of Commerce, Palos Area Chamber of Commerce and Oak Forest-Crestwood Area Chamber of Commerce.

The State Treasurer provided information and opportunities available through his office. In addition, he graciously answered questions from members, even those that were about topics not handled by his office.

TAKE NOTE

President's Message

I am excited with all the in-person events coming up. The OPACC Round Up Golf Outing is on May 13th at Silver Lake Country Club and I hope to see you there. We will also be hosting the State of the Village on May 25th at the Orland Park Civic Center which will serve as our monthly membership meeting. Then in June, we will be holding our member awards and installation dinner. Lots of member networking opportunities and hope you can attend.

I would like to introduce to you our new Executive Director, Shannon Rocha. She comes to us with lots of non-profit organization experience, project management, leadership, and event planning. So please help me welcome her to this amazing chamber!

Welcome, Shannon Rocha

The Orland Park Area Chamber of Commerce
is pleased to introduce our new
Executive Director, Shannon Rocha.

Shannon is an experienced Executive Director in
Association Management. She served in that capacity
at the SouthWest Suburban Home Builders
Association in Orland Park for six years.
When Shannon is not working, she enjoys spending
time with her husband and two children.
Please join us in welcoming her to our Chamber!

TAKE NOTE

Executive Director's Message

Dear Members,

I am super excited to introduce myself as your new Executive Director. My name is Shannon Rocha and I feel privileged and honored to lead the Orland Park Area Chamber of Commerce. I was the Executive Officer for the SouthWest Suburban Home Builders Association (SSHBA) in Orland Park for the past six years but began as the Administrative Assistant six years prior to that. I received my Bachelors in English from the University of North Texas with emphasis on Technical Writing as well as Compositional Writing.

I have learned so much from the SSHBA about leading a member based organization but I also learned even more about myself. I discovered that my passion is people. I like to help people feel comfortable, welcomed, valued and that they have a purpose in their organization. What I have learned was that members quickly become like family and I am excited to call the Orland Park Area Chamber of Commerce my new family.

I also discovered that I am somewhat of a nerd and enjoy learning as much as I can. I like to network with my peers to learn new ideas that may work for my association as well. I am always looking for new ideas to keep events and meetings fresh and fun. I like to participate in training seminars and conferences as much as possible. The more that I know the better I will be able to lead. As many of you know, things change constantly in the world and new trends are constantly arising. I will do my best to stay on top of the new trends and find a way to incorporate new ideas and balancing the old to see what works best for our membership.

I am looking forward to meeting each of you and creating new relationships. I am very excited for this new opportunity. Feel free to shoot me an email, call me or we can meet for coffee. I believe that the best way to lead an organization is by creating those relationships and building trust. The more engaged a member is the more you will benefit from your membership.

A little personal information about me is that I am from Texas so you will hear my twang pretty strong even though I have lived in Illinois for 16 years. My husband I are both from the south and we have two children and love football! Once again I look forward to meeting you. Please don't hesitate to contact me if I can help you in any way!

All the Best,
Shannon Rocha

TAKE NOTE

Mayor's Message

Dear Orland Park Businesses,

During his February 17 Budget Address, Governor JB Pritzker proposed a further 10% reduction to the amount of income tax dollars the state would share with county and municipal governments within the State Fiscal Year (SFY) 2022 State Budget. This equates to a \$152 million reduction to counties and municipalities throughout the state compared to distributions in SFY 2021. The purpose of the reduction is to divert local funds to partially offset the State's \$3 billion budget deficit.

This diversion of local revenues will impact communities by imposing additional pressures on local budgets at a time when resources are already being stretched to fund expenses created by the COVID-19 emergency response.

What is the Local Government Distributive Fund?

State-shared income tax revenue is distributed to local governments through the Local Government Distributive Fund (LGDF). LGDF is a state and local funding partnership instituted as part of the establishment of the State income tax in 1969. LGDF revenue helps local governments fund essential services and programs such as public safety, public health and basic infrastructure construction and repair. This shared revenue also reduces the amount of revenue local governments must collect through local taxes.

A review of the history of LGDF distributions shows that the local percentage share of the state income tax distributed through LGDF funding has already been reduced over the years. This has prevented local governments throughout the state from receiving billions of dollars in shared revenue.

Until January 2011, counties and municipalities received 10% of total state income tax revenues through LGDF. Following a temporary increase in state income tax rates in 2011, the percentage of tax revenue allocated to LGDF for distribution to local counties and municipalities **declined to 6%.**

In January 2015, the local share of the state income tax increased to 8% when the higher income tax rates declined according to a predetermined schedule established by law.

The state income tax was permanently increased in 2017 and the local government share was reduced to 5.45% for individual income tax collections and 6.16% for corporate income tax collections for State Fiscal Year (SFY) 2018.

The LGDF share was slightly increased within the SFY 2021 state budget and is presently 6.06% for individual income tax collections and 6.845% for corporate income tax collections. This is significantly below the 10% share received by counties and municipalities prior to January 2011. **In 2020, these reductions resulted in the State taking \$4.05 million away from the Village of Orland Park and its taxpayers.**

WHAT CAN YOU DO TO PROTECT YOUR COMMUNITY FROM THE IMPACTS OF THIS DECISION?

Now more than ever, it is vital that you contact Governor Pritzker and your State legislators to let them know that LGDF revenue belongs to counties and municipalities and that the State budget must not be balanced at the expense of Illinois residents and business owners relying on local governments. A sample letter can be found on the Village's website, https://orlandpark.org/UserFiles/Servers/Server_14039774/File/Government/OP%20LGDF%20-%20Sample%20Letter.docx

New Member Introductions

Clean EatZ Orland Park

Clean EatZ prides itself on taking out the guesswork in healthy eating and providing nutritious meals for people living busy lifestyles. The brand provides fresh food through meal plans, catering, Grab 'N' Go options and a dine-in café. Its menu allows for customization that caters to almost anyone, including those maintaining gluten-free, low-carb, vegetarian, and vegan diets.

Mickey and Jane Smith are excited to be bringing Clean EatZ to Orland Park. Residents will now have the tools to live a healthier lifestyle with the debut of the new café, conveniently located at 15892 S. LaGrange Rd. in Lake View Plaza, on May 27th. The healthy lifestyle restaurant specializes in preparing properly-portioned meals and will give the community the option to order weekly meal plans, catering, Grab 'N' Go meals, as well as from a full dine-in menu at the wellness-inspired café.

With a mission to be the first step to living a healthy lifestyle, Clean EatZ prepares meals that perfectly balance protein, carbs, and fats – using products with minimal processing and never adding sugar or sodium to meals.

"We have been on a journey to living a healthier lifestyle, and when the opportunity came to partner with Clean EatZ, it was a perfect match. Our love for healthy, clean, well-balanced meals that taste great was a match with the Clean EatZ culture. With our meal plan option, Clean EatZ is like having your own personal chef to prepare your meals for you." Mickey Smith Clean EatZ Orland Park

Herald-News-Shaw Media

Shaw Media is proud to be the third oldest, continuously owned and operated family media company in the nation. Our legacy of success dates back more than 170 years to 1851. That long track record of success has been due to our talented group of over 300 employees who put their very best into Shaw Media's award-winning daily and weekly print and online publications located in Illinois and parts of Iowa.

The Herald-News is part of the Shaw Local News Network which is a wide-reaching network of local newspapers embedded in the communities we serve across Northern Illinois. All the news is gathered in one place, offering our subscribers the unique opportunity to choose the news they read. Whatever their interest, in the neighborhood, village, county or around the region, access to the local news online at ShawLocal.com is available 24/7.

As Shaw Media and area businesses have evolved into the digital space over the years, the need for versatility became apparent and imperative. An always-expanding array of marketing and advertising solutions for our clients has been the result. In 2017, another step forward was taken with the launch of Shaw Media Marketing, which combines all of the elements and resources of the existing company to form a specialized, full-service marketing and advertising agency. The gamut of powerful digital and print tools at the disposal of the agency is geared to creatively and purposefully help our clients successfully market their businesses and grow their customer base.

TOWNSHIP TIDBITS

Together We Vaxed

Orland Township, in partnership with Jewel Osco, held its third and largest COVID-19 vaccine distribution event, administering the Pfizer-BioNTech COVID-19 vaccine to residents. Days before the event, which was held on Monday, April 12 at Georgios Banquets, the announcement was made that Illinois was expanding vaccine eligibility to Phase 2, enabling anyone over the age of 16 to receive the vaccine. Within hours of that announcement, all 2,300 appointments were filled. Those residents will return May 3 for their second shot. Thank you to all the Township staff, volunteers, pharmacists, Orland Fire Protection District and Orland Hills Police Department for all their hard work and assistance during that long day.

After the second dose is administered on May 3, Orland Township and Jewel Osco, through three vaccine administration events, will have vaccinated over 3,000 residents. We are so grateful to Jewel Osco and their pharmacists for their dedication to health and safety of our residents.

Celebrating Our Volunteers

Orland Township is very fortunate to have many residents who generously give their time to volunteer at the Township. Whether they help out on a weekly basis in the Food Pantry, monthly at our immunization clinics, or at special events, we could not accomplish all we do at Orland Township without our volunteers. Even in the middle of a pandemic, many of our volunteers kept in contact with staff, wanting to know when they could return, demonstrating their dedication to the mission of Orland Township. Orland Township celebrated Volunteer Appreciation Week and all our volunteers' contributions with a dinner at the Orland Chateau – it was wonderful to see everyone who was able to attend and thank them in person!

Thank you, Felicitas

It was with mixed emotions that I read Felicitas' farewell message in the last newsletter. While we are happy for her move to bigger and better things, Felicitas will be missed. Always ready with a kind word, a smile and an offer of assistance, Felicitas' dedication to the chamber was always evident. Thank you, Felicitas, for all you did for chamber members and for Orland Township! We wish you all the best in your future endeavors!

Sincerely,
Paul O'Grady
Orland Township Supervisor

Orland Township Supervisor Paul O'Grady (second from right) with Jewel Osco pharmacists at the April COVID-19 vaccination event held at Georgios Banquets.

Member Spotlight

*The way you *should* be treated.™*

Silver Cross Hospital achieved a first in its 125-year history: a place on the Fortune/IBM Watson Health 100 Top Hospitals® list, a 5-Star Rating by the Centers for Medicare and Medicaid Services (CMS) and an A for Patient Safety by the Leapfrog Group – all at the same time.

This recognition demonstrates Silver Cross Hospital's ongoing commitment to prioritize patient-centered care. According to IBM Watson Health, as compared to similar hospitals, the hospitals included on the Fortune/IBM Watson Health 100 Top Hospitals list had better results on key clinical and operational performance indicators. These include survival rates, patient complications, healthcare associated infections, 30-day mortality and 30-day hospital-wide readmission rates, length of stay, throughout in emergency departments, inpatient expenses, profitability and ratings from patients.

The hospital's "Triple Crown" for healthcare is not only a first for the 300-bed hospital in New Lenox, it's an exclusive group overall – with fewer than a handful of hospitals across the entire U.S. achieving this level of excellence in patient safety, patient care, patient outcomes and patient experience.

"What a proud and historic moment for Silver Cross Hospital," said President/CEO Ruth Colby. "To achieve this level of distinction is truly extraordinary and a testament to the dedication of our entire Silver Cross team of employees, physicians and volunteers. Despite the challenges of the past year, they never lost sight of what really matters: delivering an unrivaled experience to every patient every time."

"Silver Cross Hospital continues to shine bright as a community hospital, but their commitment to patient safety and patient care truly makes them one on the nation's best, as evidenced by these three national awards for excellence," said Illinois State Senator Michael Hastings. "We are so fortunate to have this amazing healthcare organization close to home."

For more information, visit www.silvercross.org.

Resource Corner

Understanding How Coinsurance Works

Submitted by: Patricia Mell - P. Mell Advisors

Many of us have no idea how much a doctor's visit, medical procedure or prescription will cost until we get the bill. And it's not our fault: Medical billing is notoriously confusing.

But things can become a little more clear when you understand how your health insurance policy works. One term you should be familiar with is coinsurance.

Here's what you need to know about it.

What is coinsurance?

Coinsurance describes how you share medical expenses with your insurer after you meet your deductible. Your deductible is the amount you pay out of pocket each year before your insurance starts paying for a portion of your bills.

If your health plan has 80/20 coinsurance, your policy will pay 80% of your bills after you meet your deductible, and you'll pay 20%. Some plans have 90/10, 70/30 or 60/40 coinsurance instead.

How is coinsurance different from a copay?

It's easy to mix up these two terms. A copay, or copayment, is a flat fee you pay when you receive a medical service or pick up a prescription. For example, you might have a \$15 copay on generic drugs.

When do you pay coinsurance?

You usually pay coinsurance after your insurance company processes your provider's medical bill. Coinsurance is typically less expensive when you see an in-network provider.

Under Affordable Care Act rules, you don't have to pay coinsurance or meet your deductible at all for certain services, including vaccines and screening tests. They're 100% covered.

Do you understand your health insurance coverage? If you have questions about your policy or any unfamiliar terms, get in touch with your provider.
