President's Message

I can't believe that it's August already! Boy the year is flying by now that we are back open and being able to make up for lost time. We have had some pretty amazing events so far and are excited for the ones that are fast approaching.

I invite you to join us to reconnect with fellow members on August 11th at our membership meeting. I also encourage prospective members to attend and meet members and enjoy a delicious donut provided by Stan's Donuts.

Ladies, cross off whatever is on your calendar and join us for a celebration cocktail. I can't wait to raise a glass with all of the ladies at the OWN Summer Bash Celebration on August 26th. It is going to be a blast and a great way to celebrate women, the obstacles we have overcome and celebrate what is still to come as we move ahead.

We will be back in front of the community with a full day of unique art, craft beers, tasty food and lots of music at the Arts and Drafts event on September 25th at the Orland Park Crossing on 143rd and LaGrange. Bring your family and friends out for a fun day!

New this year is the location of the Community Expo. We are moving from Carl Sandburg High School to the Orland Square Mall. I am excited to see how it compares and how our Chamber will be able to showcase the businesses of Orland Park in the heart of the community. I hope you will plan to register and join us at this new location.

We are looking to bring the Ambassadors Committee back front and center beginning in November. This committee has been such a success for our chamber and it will be exciting to see it going again. If you are wanting to meet and help people, then Ambassadors are for you. The Ambassadors are the face of the chamber and at events greeting people as they arrive. They also help connect businesses who would thrive by knowing one another. It's a great committee for networking with other businesses in our chamber and other chambers in the area. If you are interested in joining the Ambassadors, please contact our Executive Director, Shannon Rocha, at srocha@orlandparkchamber.org or call the Chamber office at 708-349-2972.

Executive Director's Message

Members,
Happy August! I hope each of you have enjoyed your summer so far. We gave you a little break from the Orland Park Area Chamber and I hope it was just enough time for you to miss us!

First of all, I want to thank you for being a member of the Orland Park Area Chamber of Commerce. You are the reason that the chamber continues to succeed and be thought of as a premier Chamber of Commerce in the southwest Chicagoland. Because of each of you our Chamber has been nominated and is now in the voting round for Best Chamber of Commerce. You can cast your vote for OUR chamber at: www.southlandsbest.com.

We have great opportunities approaching that will allow you to connect with members and also promote your business. I hope you have your calendars marked and that you are planning to attend our August Membership Meeting. This is your chance to reconnect with fellow members and meet new member in a fun social setting. The theme will be "Donut You Want to Reconnect with Your Fellow Members?" Thank you to Stan's Donuts for sponsoring the donuts that will be provided and thank you to 7030 Centennial Center for hosting us.

I am personally getting so excited for the OWN Summer Bash Celebration "Snack & Sip." The OWN Committee is working super hard on this fabulous cocktail party that will be happening at Chicago Gaelic Park on August 26th. We are sold out on most sponsorships, but are still looking for raffle sponsors and swag bag participants. I would like to ask your help in getting the word out on social media and inviting your friends, family members and co-workers. We created a flyer with a QR code to make it easy to register online. I had the pleasure of watching a couple of our committee members put their talents to good use at our photo shoot and cocktail tasting. The cocktails are delicious, but don't take my word for it, come out on the 26th and decide for yourself.

We are in planning mode for 2022 already; can you believe it? The board nominating committee is working hard to prepare a slate of awesome members that are dedicated and willing to serve the Orland Park Area Chamber of Commerce. If you are interested in serving on the Orland Park Area Chamber of Commerce Board of Directors, you still have a little time to submit your nomination application. I am also planning ahead and trying to schedule out meetings and events for next year as well. I would appreciate any feedback such as topics, education classes, speakers and anything that you feel you and other members would benefit.

If you are interested in getting more involved and want to volunteer, we have lots of opportunities with the upcoming events. If there is a committee you have served on and would like to take more of a leadership role as a committee chair or co-chair, please let me know.

Thank you again for being a member of our Chamber!

Mayor's Message

With summertime in full swing in Orland Park, it is great to see so many people continuing to choose Orland Park as their destination for shopping, dining and enjoying our vast outdoor spaces. Despite the harsh restrictions imposed by the state during the pandemic, Orland Park's business community has remained steadfast and has weathered the storm. I encourage you to visit the Village's new Economic Development website at buildop.org to stay on top of any newly available spaces, business incentives and more.

Orland Park has launched a Business Retention & Expansion (BRE) Program to proactively connect with existing businesses to better understand and respond to their needs. If you are an existing business owner or operator in the community, we want to hear from you. The Village has created a short online survey, <https://buildop.org/business-retention-expansion/>, that will gather broad information on your business to help us learn more about your existing challenges and opportunities. Once you've completed the survey, Village representatives will work with you to find time for a follow-up conversation to learn more about how the Village of Orland Park can be a better partner to your business and the entire business community.

The relationship between the Village of Orland Park and the businesses that call Orland Park home is an important partnership. Together, we work towards what is best for the community as a whole while keeping the economic health of Orland Park strong. This is something that has been built over many years and remains an admirable trait of our Village. Recently, steps were taken to strengthen this partnership.

An ordinance was approved at the July 19 board meeting that requires those holding business licenses in Orland Park to cooperate fully with the Orland Park Police Department in suppressing illegal, disorderly and/or violent conduct. Police have been called for service due to criminal acts occurring at local establishments and, in some instances, the businesses then refuse to sign the criminal complaint. The problem with this is that once the criminals know that said business will not sign a complaint and they will not be held accountable, that location becomes a regular spot for that type of criminal activity.

This is not safe for the police officers responding, for community members who may be caught in the middle of the incident, for other businesses that may be targeted, or for those on the roads as the suspects flee recklessly through our neighborhoods. As partners in the community, we must work together for what is best for Orland Park. Public safety remains paramount in Orland Park. Thank you for your continued efforts and partnership in maintaining this standard.

Sincerely,

Keith Pekau
Village President
