TAKE NOTE

President's Message

Dear Chamber Members,

One of the things I hear most often from new members, guests, and regional partners is this: the Orland Park Area Chamber of Commerce has one of the strongest and most welcoming business communities around. I could not agree more.

What makes our Chamber special is not just the number of businesses represented, but the culture we have built together. Our members genuinely support one another. They collaborate instead of compete. They show up for ribbon cuttings, share referrals, mentor new entrepreneurs, and invest in the success of their fellow members. Whether you are a long-established company or a brand-new business owner, you will find encouragement, opportunity, and connection here.

That spirit of engagement will be on full display throughout March. We begin the month by celebrating growth in our community with a ribbon cutting for Midwest Medical Weight Loss & Aesthetics on March 3, followed by Anytime Fitness Orland Park on March 10, and Wingate by Wyndham Tinley Park on March 12. These events are always a great reminder that business is thriving in our region and that we are stronger when we show up to support one another.

On March 19, we will gather for our Orland Women's Network Luncheon, a signature event that continues to bring together professional women from across the area for meaningful networking and support. Later in the month, our Young Professionals group will meet at Buffalo Wild Wings in Tinley Park on March 24, creating another opportunity for emerging leaders to build relationships and expand their networks.

We will also host our Monthly Membership Meeting on March 25, an important opportunity to stay connected, share updates, and learn more about what is happening within the Chamber and the broader business community. And on March 31, I encourage all of you to attend the State of the Village at noon. This event highlights the continued collaboration between the Chamber and the Village and reinforces the importance of strong partnerships in driving economic vitality.

Registration is encouraged for all upcoming events, and I hope to see many of you there. Your participation is what makes this Chamber so dynamic and impactful.

Thank you for your continued membership, your professionalism, and your commitment to supporting one another. Together, we are building a business community that truly stands out.

With appreciation,

Dan McMillan
President
Orland Park Area Chamber of Commerce

TAKE NOTE

Mayor's Message

Dear Members of the Orland Park Area Chamber of Commerce,

I want to take a moment to personally thank each of you for the vital role you play in strengthening our community.

Orland Park is a dynamic and complex community, home to thriving neighborhoods, nationally recognized schools, vibrant retail corridors, innovative healthcare providers, industrial partners, professional services, and family-owned small businesses that have served generations. None of this happens by accident. It is built and sustained by dedicated business leaders like you who show up every day with professionalism, integrity, and a commitment to excellence.

Your investments, whether through job creation, storefront improvements, charitable giving, sponsorships, or mentorship, shape the quality of life our residents value so highly. The Chamber's continued efforts to connect, advocate for, and elevate local businesses ensure that Orland Park remains one of the premier communities in the region to live, work, and do business.

The partnership between the Village, the Chamber, and our business community is essential. When we collaborate, share information, align priorities, and support one another, we create stability, opportunity, and long-term growth. That collaboration is evident in the consistent communication and engagement between our organizations.

I would also like to personally thank Chamber Board President Dan McMillan for his leadership and for regularly attending Village Board meetings to provide updates and insight into Chamber initiatives. His presence strengthens the bridge between our organizations and reflects the spirit of cooperation that defines Orland Park.

I invite all Chamber members to join us for the State of the Village Address on Tuesday, March 31, at noon at the Orland Park Civic Center. This annual event is an opportunity to reflect on our progress, discuss major initiatives, and look ahead to the opportunities before us. I hope you will attend as we continue building momentum together.

Thank you again for your dedication to our community and for the professionalism you bring to Orland Park every day. We are stronger because of you.

With appreciation,

Jim Dodge
Mayor
Village of Orland Park
