Executive Director's Message

Dear Chamber Members,

It is truly an honor to introduce myself as the newly appointed Executive Director of the Orland Park Area Chamber of Commerce.

As someone with deep roots in this community, this role means far more to me than a title. It represents an opportunity to help strengthen and elevate an area that has shaped so many of us personally and professionally. I have always believed that strong business communities do not happen by accident. They are built through consistency, relationships, innovation, visibility, and people who genuinely care about the success of others. That is exactly the direction we are moving in.

Over the past several weeks, I have spent time listening carefully to our members, attending events, meeting business owners, and identifying opportunities to make your membership experience more impactful, more engaging, and more valuable. One thing has become very clear: this Chamber has incredible potential, and we are just getting started.

You will begin to see a renewed focus on meaningful networking, stronger business connections, elevated programming, and intentional member visibility. Our goal is simple: when businesses invest in this Chamber, they should feel supported, connected, seen, and proud to be part of it.

One immediate change you will notice is within our Monthly Membership Meetings. We are restructuring these gatherings to create more opportunities for members to introduce themselves, build relationships, and have real conversations. Networking should never feel rushed or secondary, and we are committed to creating an environment where connections can happen naturally and consistently. We are also placing a stronger emphasis on concise, high-value presentations that respect your time while delivering useful insight and relevance.

Beyond events, my commitment is to help create momentum for our members every single day. I have already had the privilege of helping connect businesses with new opportunities, referrals, and visibility, and I look forward to expanding that impact even further. We are actively working toward fresh ideas, stronger collaborations, exciting new initiatives, and a Chamber experience that continues to evolve alongside the needs of today's business community.

What makes OPACC special has always been the people behind it. The support, professionalism, generosity, and ambition within this community are remarkable, and I am incredibly proud to be part of it.

Thank you for your continued membership, your trust, and your involvement. I am excited for what we are building together and even more excited for what is ahead.

With appreciation,

Georgia Hicks
Executive Director, Orland Park Area Chamber of Commerce

Mayor's Message

Dear Fellow Chamber Members,

What a pleasure it is to have a chance to address each of you in this edition of the Chambergram. I am grateful to the Chamber for the opportunity to share some thoughts with this incredible group of business owners, professionals, and community leaders.

I want to start by congratulating the Chamber on a wonderful addition to your team. Georgia Hicks brings great energy and experience to the role of Executive Director, and from everything I have seen, she is already hitting the ground running. Georgia, welcome! You have stepped into a terrific organization, and the members are lucky to have you leading the way.

I have had the privilege of getting to know so many of you, and the relationship between my office and the Chamber community means a great deal to me. Whether at ribbon cuttings, community events, or just conversations over coffee, I come away every time reminded of the passion, the work ethic, and the genuine care for this community that each of you bring. I look forward to continuing to build on that in the months ahead.

Looking ahead, I hope to see a great turnout for the Chamber's Halfway to St. Patrick's Day Golf Outing on September 17th. This event will no doubt become one of the highlights of the fall calendar, and for good reason; it is a wonderful chance to come together, enjoy some great company, and celebrate the spirit of this community. I will be there, so come say hello!

And just five days later, on Monday, September 22nd, I would love for you to join us for the Mayor's Golf Outing. It is always a fantastic day on the course at sunny Silver Lake; great golf, great people, and a lot of laughs. Whether you are a scratch golfer or just enjoy an excuse to get outside, there is a spot for you. Keep an eye out for registration details on the Village's website and social media.

Thank you again to the Chamber for the space in the Chambergram, and thank you to each of you for everything you do for Orland Park. I am proud to serve this community, and I am proud to call so many of you friends. Here's to a great summer ahead — I will see you out there.

Warmly,

Jim Dodge
Mayor, Village of Orland Park
